Holy Family Feast is a liturgical feast of Catholic and some Anglican churches in honor of Jesus, his mother, and his legal father, The Holy Joseph, as a family. The main purpose of this holiday is to present the Holy Family as a model for Christian families. [1] The feast takes place on a Sunday between Christmas and New Year's Day; if both are Sundays, the feast is celebrated on March 30. Background Holy map depicting the Holy Family, in French. University of Deton library. The Gospels speak little of the life of the holy family in the years before Jesus' public service. [2] Matthew and Luke tell episodes of this period of Christ's life, namely his circumcision and later presentation, flight to Egypt, returning to Nazareth and searching the Temple. [1] Joseph and Mary were apparently observing Jews, as Luke says they brought Jesus with them on the annual pilgrimage to Jerusalem with other Jewish families. The Honoratio of the Holy Family Celebration is a liturgical celebration in the Catholic Church in honor of Jesus From The Cameret, his mother, the Blessed Virgin Mary, and his foster father, Saint Joseph, as a family. The main purpose of this holiday is to present the Holy Family as a model for Christian families. [1] From the 17th century, the festival was celebrated at local and regional level, and at this level was promoted by Pope Leo XIII, that is, on a Sunday from 7 January to 13 January, all inclusive (see Page 10). [3] [4] The 1962 Roman missal, the use of which is still permitted under the conditions specified in the 2007 motu proprio SummoRum Pontificum, follows the General Roman Calendar 1960, which is a celebration on that date. The 1969 review of the General Roman Calendar moved the celebration to Christmastide, giving it Sunday during the octave Christmas, that is, Sunday between Christmas Day and New Year's Day (both exclusive), or if both Christmas Day and the solemnity of Mary, the Mother of God is Sunday, on December 30 (always Friday in such years). When not celebrated on Sunday, it is not a holy day of duty. [5] Earlier Sunday during Christmas Octave was actually celebrated only when it fell on December 29, 30 or 31, as it gave way to higher-ranking celebrations in Saint Stephen, Saint John the apostle and holy innocents. A feast for the Holy Family, which has replaced it in outranks these three feasts. Cultural references in the Art of the Holy Family are a popular theme in Christian art. It can be difficult for people to make decisions about how to safely grieve and honor their loved one. Things the CDC recommends to consider during a pandemic: Consider limiting attendance at funerals that occur shortly after the time of death to a small number of immediate family members. Take the necessary precautions when planning and holding funeral services and visits to prevent the spread of COVID-19 among all visiting guests. Those who have been exposed must stand. Practice social distancing while at funeral arrangements if you are faced with the loss of a loved one in this pandemic, please contact the funeral home of your choice by phone first to see how they can help you. The funeral home will then contact the church after they have spoken to the family. Church staff will then contact the designated family member by phone to discuss the funeral mass. The holy family congregation takes care of you and your family. We hope that the information provided is useful. We all need to work together to help slow down and stop the spread of the virus. Our prayers are with you and your families. Jesus, Mary, and Joseph, pray for all of us. The Act of the Spiritual Commune My Jesus, I believe that you are present in the Holiest Sacrament.
